

DHA CITY PROJECT

Reference to DHA City Project it is regretted that neither promised plot could be delivered/made available nor any development was commenced **solely on account of failure of Globaco Private Limited to provide requisite/suitable land.**

That the management of Globaco Private Limited cheated and misled the management and also managed to misappropriate over Rs. 15 Billion belonging to the public at large, which money was paid/deposited with Globaco Private Limited against the promise/representation made to make available land for the purpose of providing plots for the members of the public. We understand that you are made to believe that DHA City Lahore Project belonged to/owned by DHA Lahore and DHA Lahore will deliver/transfer said plot to you, which representations were fraudulent and deceptive. PASSER

In the circumstances, the management of DHA Lahore took the cause of aggrieved members of the public and decided to pursue the criminals, who had defrauded/cheated the public, and filed complaint with NAB to punish the culprits/ fraudsters and recover of the misappropriated amount from Globaco Pvt Limited and others beneficiaries of fraud, require to arrange for/procure requisite land. In this context NAB has already filed interim reference with the Accountability Court and it continues its investigation in the matter.

The Management seeks your support and cooperation in the manner and appreciate efforts to be made to approach the Investigation Officer (Mr. Zavar Manzoor) /NAB to appraise it/them of the facts regarding fraud played and misappropriation of entrusted money. NAB has already published advertisements in newspaper to seek information/facts from the aggrieved members of the public (photocopy of ad attached). At this junction we need collective effort/ support and strong will to check & stop this increasing menace of cheating public at large and robbing some of their hard earned money against deceptive/fraudulent promises of providing land/plots.
