

State of the Art Offices

Spread over an area of 25.84 Kanal, DHA Business Hub has **total leaseable area of 273000 sqft.** Conveniently designed offices can be customized/utilized as per the requirement of the companies. All offices are provided with central heating/cooling and other basic facilities.

Multipurpose Seminar Hall

The seminar hall has a **covered area of 2000 sqft** with a seating capacity of more than **60 persons**, made specifically for conducting seminars and conferences.

Spacious Parking Space

Business Hub has spacious parking capacity of more than **700 cars** which include 2 basements and an external parking. All offices as per their occupied area will be allocated dedicated parking space to avoid any inconvenience. The building has **8 elevators (7 for passengers and 1 for cargo)** to save time in reaching respective floors. A number of entry-exit points have been marked to avoid congestion in the parking area.

Executive Lounge | Conference Room

Flawless Security

Security measures are very important for any organization and business to help protect its premises and assets from possible threats. Modern security equipment such as **CCTV Cameras, Electronic Doors, Locks, Alarm Systems, and Lights** have been installed to improve safety and security of the facility.

Efficient Energy Center

Disruption free electricity is inevitable for a business to ensure smooth running of its operations. DHA Business Hub has a **dedicated energy center** which provides backup in case of electricity failure and maintains optimal temperature in the building.

Day Care Center & Children Play Area

DHA Business Hub has a dedicated area for Day Care Center to keep employees engaged to their work commitments and lower the rate of absenteeism. The Day Care Center is going to have all necessary facilities and equipment which will help in monitoring and taking care of the children during the work hours.

Graceful Prayer Hall

A state of the art Prayer Hall has been constructed to facilitate employees and visitors where **300 individuals** can offer prayer simultaneously.

Gym and Gaming Zone

Multinationals and Corporations take great responsibility for the fitness and recreation of their employees. The long working hours and work load make it difficult to maintain healthy living style and do regular exercise. The fourth floor of Business Hub has an amenity area including in-house Gym and Gaming Zone facility which employees can avail to elevate their moods and effectively handle work pressure.

Serene Roof Terrace

An outdoor space that offers an opportunity to relax has now become one of the most demanding features of modern offices and corporate buildings. The outdoor space with fresh air and sunlight is considered helpful in reducing stress and work fatigue. DHA Business Hub has a Roof Terrace equipped with modern furniture, planters, and roof garden making it an ideal area to sit, relax and enjoy.

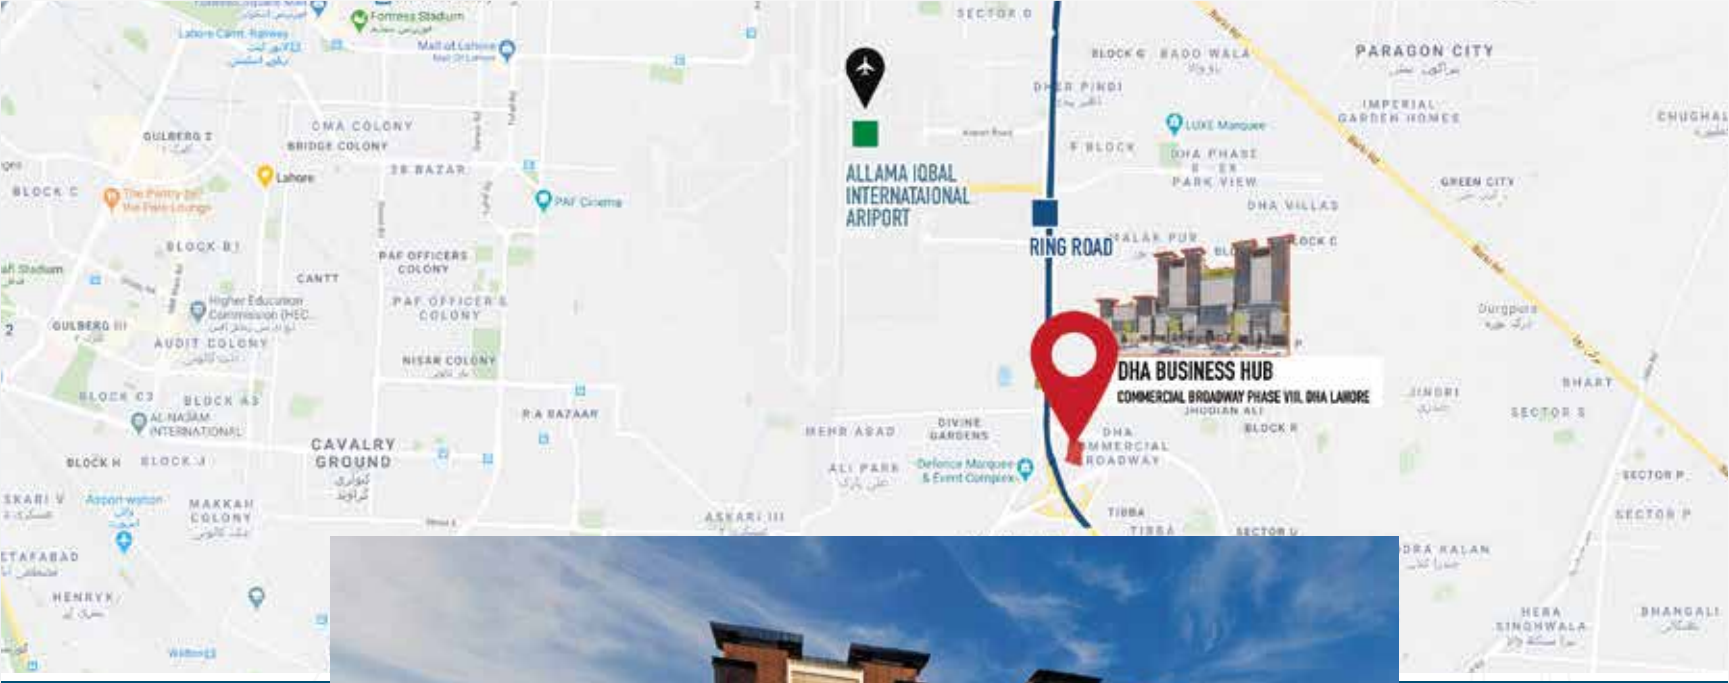

DHA Owned Corporate Tower

DHA Business Hub is a flagship project of DHA Lahore which helps to transcend impregnable business borders by offering a serene, secure and conducive environment. Situated in the heart of DHA, this mega structure offers state of the art amenities under a single roof meeting international standards of commercial architecture. DHA Business Hub is a multi-tier business tower which aims to deliver professional corporate ambiance to our business partners. The development of this project reflects DHA's commitment to not only become a trend-setter in residential but also in commercial projects development.
