DHA Lahore has a Centralized Complaint Management System which interconnects all branches within DHA to improve communication and response rate. Residents can confidently walk in, call or email us to tend to their complaints. Overseas customers can also contact us through email, telephonic calls & website support. We have adopted Open Door Office Day on first Saturday of each month for our worthy residents who are welcome to share their suggestions and feedback. DHA ensures, each voice is heard and valued suggestions are considered at all appropriate levels.
